6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision:

The vision of the college is to empower women through dedicated process of education. We are dedicated to the goal and providing traditional education to girl students along with opening avenues for them of self employment and making them competent to gain economic stability in their future life.

Mission:

1. To empower girl students with knowledge of subject and making them competent with different skills so as to gain economic stability.

2. To provide opportunities of personality development through different activities and build a strong confidence among the girl students.

3. Most of the students admitted to our college belongs to lower strata of society and from the surrounding rural area. Due to their socio-economic status they are mostly deprived of advanced educational facilities. Our mission is to provide them with latest modern technology to enhance their knowledge and ability to face the career challenges.

With the help of technological institutions run by our parent body we are going to educate them knowledge of computers to fit them for global competition. Our Society is second largest educational organization in Vidarbha region. The mission statement chosen by them for us reads: *"If you educate a woman, you educate a family"*. This college was established with the aim of reaching out to the students belonging to lower socio-economic class who do not get opportunity in established institutions. Since the beginning of the institute, it has tirelessly been working for the empowerment of women.
